Vacancies on committees filled, as follows:

Church letters were called for, and, pending their reading, Conference voted that an ordained minister is not eligible to represent a local church in Conference.

Report on Religious literature adopted, as follows:

REPORT ON RELIGIOUS LITERATURE.

Religious literature largely fixes the moral standards of a people. It also fixes the creeds of individuals and of sects. Of all classes of literature, religious has the most vital effect on individual and national life. We, therefore, recommend:

(1) That the ministry strive to possess a more thorough knowledge of the Bible, our only creed and rule of faith and practice, and that they seek to enlist their parishioners in a more constant and more systematic study of it.

(2) That church members especially be encouraged to buy and read books written by ministers of the Christian Church, which books may be had through the Book Depository of the Southern Christian Convention, Elon College, N. C., Rev. J. O. Atkinson, D.D., Manager, or The Christian Publishing Association, Dayton, Ohio. We advise our people to purchase Bibles, Sunday school supplies, and other religious literature from the above-named agencies, also.

(3) That among religious periodicals, *The Christian Sun*, the organ and property of the Southern Christian Convention, be given first place in our homes as one of the most ably edited periodicals of the State, and that *The Herald of Gospel Liberty*, the oldest, and fast becoming one of the best religious papers in America, and *The Christian Missionary* be more widely read and circulated in this Conference.

W. P. Lawrence, *Chmn.*
C. M. Pritchett.
T. W. Strowd.

SUPPLEMENTARY TO THE REPORT ON RELIGIOUS LITERATURE.

We recommend that a committee be appointed to prepare a suitable plan and program for celebrating the centennial year of our general church organ, the oldest religious paper in the world, *The Herald of Gospel Liberty.* C. M. PRITCHETT.

Committee appointed pursuant to above report: Rev. J. O. Atkinson, Prof. W. P. Lawrence and Rev. C. C. Peel.

Conference adjourned for dinner.

AFTERNOON SESSION.

Conference called to order. Religious exercises by Rev. W. L. Wells.

Reading of church letters concluded.

Rev. L. F. Johnson was chosen to deliver the next annual sermon, with Rev. C. C. Peel as alternate.

Report on Foreign Missions adopted, as follows:

REPORT ON FOREIGN MISSIONS.

Your Committee on Foreign Missions are pleased to report that our work in the foreign field, both in Japan and Porto Rico, is making favorable advancement, notwithstanding the difficulties under which our missionaries labor. The increase in the work calls for an increase in the workers, and this means a larger support; while our Foreign Mission Board is already contending with a deficit, and houses of worship are badly needed in several places. The field, however, is still inviting, and, if we measure up to our opportunities, it will mean much for the establishment of our church and the dissemination of our principles, as well as the salvation of souls. We therefore recommend the following:

1. That the apportionment for Foreign Missions be made the same as that for Home Missions.
2. That pastors and churches labor to raise not less than this amount.
3. That our people procure and read *The Christian Missionary* and the mission column in *The Christian Sun*, together with such other literature as will inform them concerning the work.
4. That with our gifts to this work, we send our prayers for the Lord's blessings upon it.

C. C. PEEL,
A. F. ISELEY,
CHAS. A. HINES,
Committee.

Home Mission report was made special order for 10:30 a. m. tomorrow.

Conference adjourned. Benediction by Rev. L. F. Johnson.

THIRD DAY.

November 21, 1907.

Conference called to order. Religious exercises by Rev. T. B. Dawson.

Roll called and minutes read.

The following letter was read:

The North Carolina and Virginia Christian Conference:

As Secretary of the Christian Church Loan Association, I wish to report that this corporation has collected $384.05; also has in addition

to this an income of $7.45. A portion of this money has been loaned to the Henderson Church, to be used in building. We wish to impress on the Conference the advisability of getting as much enthusiasm as possible.

The writer, owing to different circumstances, fears he will not be able to be present, and hopes that Conference will take some steps to have some one take a lead in this matter at Conference, and if there is some one could be appointed to give it more time than the Conference Trustee (myself), it might be better for the cause.

Hoping the Conference may take steps to encourage this move, I beg to be,

Yours very cordially, R. S. PETTY, *Secretary.*

Your Committee on the Nomination of Ministerial Delegates to the Southern Christian Convention, to be held next May, name the following: J. W. Wellons, J. W. Holt, J. O. Atkinson, C. C. Peel, and W. T. Herndon. *Alternates*—L. F Johnson, T. W. Stroud, A. F. Iseley, S. B. Klapp.

Respectfully submitted,

L. M. CLYMER,

Respectfully,

J. O. ATKINSON,
C. C. PEEL,
J. W. WELLONS,
Committee.

Adopted.

REPORT ON HOME MISSIONS.

On the church building at Monticello there is an indebtedness of $45.00. We recommend that Conference pay $25.00 from Church Extension Fund to liquidate this indebtedness.

We have ascertained that there is an opening for our work at Spray, N. C., and that now is an opportune time for us to undertake a work there. We recommend that Rev. L. I. Cox be employed the coming year for $120.00 for one appointment per month, payment to be made quarterly from Home Mission Fund, he to make quarterly reports to chairman of this committee. If deemed advisable to purchase lot for building the coming year, site must be approved by this committee.

Palm Street Church, Greensboro, submits financial statement showing an indebtedness of $704.86. We recommend (1) that Conference appropriate residue of Home Mission and Church Extension funds; (2) assume $145.00 indebtedness, to be paid with interest one year hence; and (3) that $200.00 be raised at this sitting of Conference to help liquidate indebtedness, all upon condition that said church assume and pay off entire balance of indebtedness. This point to make no further appeals to Conference.

That whereas, our Sunday schools are doing no special work looking to spiritual training in giving for the cause of the Master and His church, this committee suggests that Conference ask our various Sunday

schools to contribute ten or five cents per member for a Home Mission Fund, and that this fund be used to establish mission churches, distinct from the churches aided by the Home Mission Fund of the Conference, in the bounds of our Conference, as memorials of the missionary efforts of the Sunday schools, and further that those Sunday schools which comply with this request shall be supplied with a memorial by the President and Secretary of Conference, which they may display in their schools as an encouragement to further missionary efforts.

J. W. Holt,
J. O. Atkinson,
C. C. Peel,
W. A. Harper,
Committee.

A collection for Palm Street was taken, amounting to $436.80, and the Secretary was directed to turn the same over to H. C. Simpson for said church.

Rev. J. L. Foster was invited to a seat in Conference.

Conference adjourned for dinner.

Afternoon Session.

Conference called to order. Religious exercises by Rev. W. T. Herndon. Report on Education was adopted.

report on education.

Howard E. Truitt, now a student in Elon College, and a member of Mt. Bethel Church, makes application for membership in our Biblical Class. Your committee have examined Bro. Truitt on his conversion, religious experience, and call to the ministry, and recommend that he be admitted, and that he continue his work of preparation at Elon College.

James Arthur Rice, of Hebron Church, a member of this class one year, pursued his studies at college last year, but owing to poor health and weak eyes deemed it best to remain out of school the present year. His report to the committee was satisfactory, and we trust he will be able to enter college not later than next scholastic year.

Ben. Joe Earp, of Lebanon Church, admitted last year, has pursued his studies satisfactorily the past year at Elon College, and his reports show progress, promise and satisfactory demeanor. His report was satisfactory, and he continues his work of preparation at Elon.

Warner Lee Wells, a licentiate of one year, has diligently pursued his work of further preparation, and has made satisfactory progress the past year. Churches are calling for his services, and we record, with anxious hope, the faithfulness with which he gives account of his stewardship. He asks a loan of $50.00 for expenses in school the coming year, and we recommend same be granted.

Richard Perry Crumpler, a licentiate of one year, is making good progress and high grades in his work of preparation in Elon College. He is a close and diligent student, and gives promise of scholarship and attainment. He is to serve at least one church the coming year, in addition to his collegiate work. He asks a loan of $75.00. We recommend that it be granted.

Licentiate Edward French is now teaching at Manteo, N. C. He taught last year at Epsom, N. C., and preached some. In his report to the committee he expresses the purpose to enter religious work permanently next fall; and that he will do the best he can with his obligation.

We record our gratitude to Almighty God that this Conference now

has, as objects of prayer and solicitude, five young men—three Biblical students, two licentiates—now in preparation for the gospel ministry, and it should be a portion of our devotions to remember these at a throne of grace that they may remain faithful to their calling and prove valiant servants in the Lord's vineyard.

Elon College continues its great work of education, and we note the constant and rapid growth which it enjoys. President E. L. Moffitt and his able and efficient faculty are doing valiant and inestimable service for our educational progress and development. It should be the aim of all our churches to bring to Conference in full the small apportionment asked for Elon College, for no investment gives the Conference and the churches larger returns in efficiency and service. We reaffirm our allegiance to the College and applaud it in its noble task of keeping alive among us the good and noble theme of Christian education, and above all of Christian citizenship.

J. O. Atkinson,
L. F. Johnson,
J. W. Wellons,
Committee.

The Secretary was directed to draw orders for all amounts appropriated by Conference and for his office $15.00.

The report of the committee on finance was adopted as follows:

REPORT OF COMMITTEE ON FINANCE

Your committee beg to submit, that we examined the report and vouchers of your Treasurer, and find the same correct.

We recommend that the account of $4.00 for printing programs be paid.

Peter A. Long,
H. V. Simpson,
Committee.

Rev. J. L. Foster presented the claims of the Christian Orphanage.

Conference adjourned. Benediction by the Secretary.

FOURTH DAY.

November 22, 1907.

Conference called to order. Religious exercises by Rev. R. P. Crumpler. Roll called and minutes read.

A letter from F. S. Blair in regard to peace and arbitration was read, and the following committee was appointed to take the matter into consideration and report at our next Conference: J. W. Holt, J. O. Atkinson, H. V. Simpson, committee.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

We know our Sunday schools have a vital influence upon the life of the church, and we know the foundation of our future churches depends almost entirely upon the efforts put forth now in the Sunday schools.

Realizing this fact, let us go to work to improve the Sunday school in every way.

We will call your attention to the following reports of our last Sunday School Convention:

1st. Organization and expansion (pages 4 and 5).

2d. Primary work (page 6).

3d. Home department (page 7).

4th. Sunday school literature (page 8).

Respectfully submitted,

L. M. CLYMER,
J. W. WELLONS,
J. S. CARDEN,
Committee.

Adopted.

MORAL REFORM REPORT.

We, your Committee on Moral Reform, beg to submit the following:

1. We see a growing need for a more strict observance of the moral laws of our country.

2. We would recommend and urge a closer study of the Bible in the home, Sabbath school, and day school, as the best means of helping and informing the rising generation.

3. We recommend that parents and guardians exercise a more rigid supervision over the conduct of our young people in their social relationship. That modern styles in dress in some respects do not comport with Scripture as to modest apparel.

4. We recommend that parents and guardians use great care in the selection of the literature and pictures in the homes. We condemn the reading of trashy literature and obscene pictures in the homes and other places.

5. We condemn the social card-table, match games of professional baseball and football.

6. We condemn all forms of intemperance, because intemperance increases crime, makes drunkards, paupers, criminals, widows and orphans. It corrupts our politics, increases our taxes. It fills our county and State homes. It fills our county, State and National prisons. It makes men dishonest.

7. We recommend that our youths abstain from the use of tobacco.

As a Christian Conference, we deplore the fact that our honored President Roosevelt is to have the words "In God we trust" removed from our coins, and we respectfully and urgently request him to revoke that order and leave the sacred words to stand as they have, a declaration to the fact that we, as a Nation, put our trust in God.

THOS. W. STROWD,
W. T. HERNDON,
S. B. KLAPP,
Committee.

Adopted.

Long's Chapel was chosen as the place for the next session of Conference.

Resolved, That we express our most hearty thanks to the members and friends of Hines's Chapel Christian Church for the kind and hospitable way in which they have entertained the Conference.

Adopted by a rising vote.

Minutes of Conference to be published and distributed as last year.

Rev. J. W. Wellons to receive one-fourth of the amount of available Superannuated Fund quarterly.

To-day's proceedings to be reviewed by Rev. J. O. Atkinson and the Secretary of Conference.
